Combined Higher Secondary Level Examination, 2016 (Tier-I)

As per the Notice of the Commission published on 10-OCT-2016, Servers of the SSC were closed down for maintenance from 10.10.2016 (1200 Hours) to 13.10.2016 (1200 Hours). The Commission has decided to give opportunity to only, repeat only, those candidates who were able to **complete and submit** their applications during this period to appear in the Examination. All such candidates may submit the scanned copies of their **completed applications** during this period to their respective Regional Offices through email IDs given below, latest by 1700 Hours on 09-01-2017:
